

Mark Taylor - Chair

Restructuring, Turnaround, Strategy & Leadership

A dynamic business leader, with 25 years' experience advising, mentoring & leading private and public sector organisations, from SMEs to complex groups, across a broad range of issues including business transformation, performance improvement, acquisition & disposal, operational restructuring and refinancing.

Mark has extensive experience across a wide range of industry sectors, managing change programmes at pace, delivering stakeholder value, by quickly grasping complex commercial issues, then recommending and delivering effective solutions.

He holds a Masters degree in finance, is a Fellow of the Chartered Institute of Marketing, Fellow of the Chartered Institute of Management Accountants and is completing his distance Doctorate at Aston Business School in corporate transformation. Mark is also a member on the turnaround panel for a number of private equity houses; banks and leading advisory firms.
