

Ibrahim Sheikh

Partner

PROFILE

Corporate Finance & Commercial Due Dilligence

A BAB and UKTI (Trade International) Accredited Management Consultant with over three decades of experience in corporate finance, working closely with enterprise organisations delivering business development to senior management at a national and international level. Ibrahim is also Associate Member of UK based Non Executive Directors Club.

Ibrahim has worked closely with Manchester University (MSEC) as a business mentor, assisting university start up enterprises from incorporation to successful IP commercialisation.

Ibrahim enjoys the day-to-day interaction as CFO and NED and brings great depth of experience in commercial financial analysis, legal due diligence, business development and a 24/7 approach to cost management.

Ibrahim is a Trustee and Board Member of Sunshine House Community Centre, Wigan delivering a weekly pro bono financial and legal advice surgery. Ibrahim is also the Lead Political Correspondent and Presenter on Heritage Radio and Heritage TV, delivering political analysis, interviews and discussion with leading Politian's and community leaders on behalf of the British Muslim Heritage Centre.

Ibrahim has a MSc. Law and Business Administration from the University of Law, Chester), a Postgraduate Degree in Law (University of Manchester), and a Double Honours Degree in Economics and Geography (University of Keele).
