### PROFILE

## Leadership, Culture & Behavioural Development

A globally recognised expert and author in leadership, organisational culture and human behaviour & development who has developed tools and delivered programmes across all sectors around the world.

A co-founder and Chairman of an organisation whose purpose is to develop leaders that can succeed in the 21st century through creating performance-enhancing cultures that are emotionally intelligent, ethical, caring and sustainable.

He is also a Freeman of the City of London and a Liveryman of the Worshipful Company of Water Conservators, a Fellow of the RSA (Royal Society for the encouragement of Arts, Manufactures and Commerce) and an Associate of the Global Leadership Responsibility Initiative.

Prior to his current role, John who qualified as a Chemical Engineer had extensive experience as a senior international corporate executive (Corporate VP of a Fortune 100 company and main board Director of a FTSE 100 organisation) living and working around the world before becoming an entrepreneur founding a number of companies especially in the environmental technology sector.
